The coronation of Charles III and his wife Camilla Parker Bowles as King and Queen consort of the United Kingdom and the Commonwealth will take place on Saturday 6th May 2023. Charles III acced to the throne following the death of his mother on 8th September 2022. The coronation will take place in Westminster Abbey in London.

5<sup>th</sup> May

A man was arrested after he killed eight people in a school. Moreover, fourteen people were injured in Serbia's second mass shooting in a week. The attack occurred shortly after midnight next to a village.

24th April

King Charles is going to become the new King of United Kingdom tomorrow. In the country some anti-monarchists want to stop the monarchy because the system becomes too old. From another point of view, today there are more people who defend the monarchy than people who want to change this system.
